Words of Wisdom from Mary Kay

CELEBRATE IN MAY!

Within you the person of your tomorrow is struggling to get out. Awaken to your hopes within and the gifts within you ready to be brought forth. These gifts are free, but the success and happiness that they bring must be brought forth through effort, commitment and discipline. It is faith, not reason, that will be your guide. Your person of tomorrow will be determined by how you see with faith-filled eyes today. Through faith you will see a vital emerging magnificent you. You are writing your life story.

EMBRACE YOUR DREAMS!

Understand three levels of exfoliation

Illustrated with the skin of a cantaloupe; *Compiled by Director Heather Pratt*

As we age, the natural process of exfoliation slows down, which leaves dead, dull, lifeless skin cells on the surface. Your skin will look SO MUCH younger, if you help it along and get rid of those dead cells. (As a note... I do not recommend the Microdermabrasion Set, if you have rosacea. I have rosacea, very sensitive as well as reactive skin, and I use the Skinvigorate Brush morning and night and the Repair Facial Peel twice a week with *no* problem!)

- 1. Skinvigorate Brush** (\$50 - battery operated): Provides gentle, surface exfoliation - a physical exfoliation product. Use with any cleanser and removes 85% more dirt and makeup than cleansing with your hands. (Use daily morning and night)
- 2. Microdermabrasion Set** (\$55 using twice a week set lasts 3-4 months): Microdermabrasion Refine is a physical exfoliator that reduces the appearance of fine lines and gently refines skin's texture as it removes surface dead skin cells and build-up from pores. Pore Minimizer goes beyond skin texture to tighten the look of pores. With pores cleared of build-up and dead skin cells, Pore Minimizer works immediately to reduce their appearance. The Pore Minimizer nourishing serum helps calm and comfort skin. It's the perfect after-step to Microdermabrasion Refine to reduce any appearance of redness and soothe delicate skin. Working together 2-to-3 times a week, both products dramatically improve skin texture.
- 3. Repair Facial Peel** (\$65 - using twice a week product lasts 6 months): The glycolic acid in this product goes to work immediately, removing dead skin cells from skin's top surface layer. This exfoliating ingredient also works on the remaining surface layers, breaking apart the bonds connecting thousands of other dead cells so they can be released and plumper, fresher cells can take their place. Once the layers of dead surface cells have been removed, your skin will be primed and ready to accept the benefits of other age-fighting treatments. Because we wanted the formula to be gentle enough to use twice a week, we paired the glycolic acid with an exclusive blend of calming botanical extracts.
